

PRODUCTION OF DUCTILE IRON PARTS

Efficiency and innovation since 1848

Cold box core process

SI-MO4.1, SI-MO-CR, NI-RESIST, ADI
ENGJS 450.18, ENGJS 500.14, ENGJS 600.10

Horizontal moulding
800X600mm 2x250mm
Green sand

OUR CERTIFICATIONS:

- ISOTS 16949 / 2016
- Det Norsk Veritas - Germanischer Lloyds
- Lloyds Register of Shipping (2020)
- Bureau Veritas
- AD 2000 W00

OUR CULTURE IS OUR STRENGTH:

- Customer-oriented strategy
- Proximity management
- Competent technical staff
- Flexibility and adaptability
- Availability
- Finished goods

ROBOTING SHOT BLASING

Series up to 50 000 units / year
between 3 and 60 kg

Highly technical parts engineering
Co-Conception

Complex core making

Coatings to water

Automated finishing

AUTOMATIC GRINDING
